**BUILDING CAMPAIGN**

# IMAGINE A PLACE.

Where people care. And smile. And live life to the fullest.

A place for your soul, for your mind.  
For your hands, for your heart. For your children, for your teens, for your parents.  
For your special needs brothers and sister, sons and daughters.

For your family, for your community.

For the whole you!

# FRIENDSHIP CIRCLE OF GREATER PHOENIX

Rabbi Mendy & Leah Levertov established Chabad of North Phoenix & Friendship Circle in 2005.

The development of our new campus will be a joint effort between Chabad and Friendship Circle, with each organization raising its respective share of the required funds.

When we established the Friendship Circle here in Greater Phoenix, we could never have imagined how many lives we would touch! We could never have predicted how many children, teens and adults with special needs would experience friendship in a way they never have before!

Neither could we have imagined the community it would create and the bonds which would form between hundreds and hundreds of children and teens with special needs and their teen volunteers!

The Friendship Circle has become synonymous with acceptance, warmth, love, friendship and most of all HOME! What keeps us going is our dream of impacting even more children, teens and adults with special needs! What motivates us is our dream of spreading the message of inclusion and acceptance! And most of all what keeps "our fire" burning is our dream to create a home away from home, a vibrant, loving center where every kid feels accepted.

We hope you will join us in efforts to build our Community Center, and make a dream come true for our community!

# CHABAD JEWISH CENTER OF NORTH PHOENIX

It began 15 years ago, in our small living room. From Hebrew School to Holiday celebrations, a Bat Mitzvah Club, and an array of both educational and social gatherings, we blossomed into a thriving community.

Chabad of North Phoenix has been at the forefront of developing a most dynamic and flourishing community. With its warm and inviting approach, Chabad is a place where people from all walks of life - regardless of background, affiliation or level of observance - feel welcome and at home.

With the pride of success have come the challenges of growth. Having our own place with provide us with stability & permanency looking towards the future!

Since its inception, Chabad of North Phoenix has dreamed of the day it would expand into our own campus - buzzing with the laughter of children, inclusion of our Friendship Circle program, the pursuit of knowledge, and the spirit of community.

That day is at hand. The campaign to acquire the Community Campus is underway. The fulfillment of this dream depends on people of initiative and compassion, a vision, and generosity.

It depends on you.
